

MARTIN IGWE

Backend-Focused Full Stack Developer

Abuja, Nigeria | +2348141805488 | Igwem94@gmail.com

GitHub: github.com/martinigwe | LinkedIn: linkedin.com/in/martin-igwe-061263267

PROFESSIONAL SUMMARY

Backend-focused Full Stack Developer who builds production systems, not just demo projects. Experienced in designing APIs, fixing production bugs, deploying applications, and working with Node.js, Python, MongoDB, and PostgreSQL.

TECHNICAL SKILLS

Languages: Python, JavaScript, TypeScript

Frontend: HTML, CSS, React.js, Vite.js

Backend: Node.js, Express.js, Flask

Databases: MongoDB, PostgreSQL

Tools & Concepts: Git, GitHub, REST APIs, JWT, MVC Architecture

PROFESSIONAL EXPERIENCE

BELSOFT SYSTEM LTD

Backend Developer Intern (May – September 2024)

- Built and tested RESTful APIs with Flask and Express.js.
- Assisted in database design and backend integration with frontend systems.
- Fixed bugs and supported feature development in a team environment.

Backend Developer (Full-Time) (September 2024 – Present)

- Developed and maintained scalable backend services using Node.js and Python.
- Built and documented APIs consumed by frontend teams.
- Handled production bug fixes and backend debugging in live systems.
- Improved database performance through query optimization and indexing.
- Collaborated daily with a team using GitHub for version control and issue tracking.

PROJECTS

LocalBukka – Food Ordering Web Application (Live Project)

Live URL: <https://mern-food-ordering-app-frontend-qrjh.onrender.com>

- Built and deployed a full-stack MERN application for real-time food ordering and tracking.
- Developed secure REST APIs for authentication, cart management, orders, and payments.
- Designed MongoDB schemas and optimized queries for performance and reliability.
- Managed deployment configuration and resolved post-deployment issues in production.

Hotel Booking Platform (2024)

- Developed backend logic for property listings and booking management.

- Implemented authentication and role-based authorization.
- Continuously improving features and system performance.

EDUCATION

University of Nigeria, Nsukka — BSc. Library and Information Science (2024 – Present)

CERTIFICATIONS

- The Complete 2024 Web Development Bootcamp
